

Crosscreek Baptist Church Survey: Opportunities for Service

Dear Church Members and Friends of Crosscreek,

Every person, including you, can contribute to God's mission! The goal of this survey is to work alongside you in finding the place you are being called to serve at Crosscreek. Please prayerfully consider your response as an offering of yourself to God as we are all called to worship and serve together.

You are hereby invited to share your ministry talents, interests, involvements, hopes and vision. The results of this survey will be shared with our Nominating, Discipleship, and Missions Committees, along with our Church Staff. Thank you for sharing!
